MEMORANDUM FOR THE RECORD

SUBJECT: Telephone Conversation with Senator Nunn,  
28 November 1978

25X1 1. Senator Nunn called me regarding a meeting he is having  
with Senators Byrd, Tower, Hart and himself and [redacted] 25X1  
[redacted] next week on Korea. He's heard about our  
new evaluation of the order of battle and our reluctance to brief  
it at this time. I explained that to him and he understood it  
fully. What he wants, however, is not to go to Korea without  
having the best information we are able to give him at that time.  
25X1 He particularly doesn't want to be caught short when talking with  
General Vessey. We agreed that I would update him on this when I  
crossed paths with him [redacted] on about the 5th of January.

25X1 2. I took responsibility for ensuring that I or, if for some  
reason I don't make it, someone else makes contact with him in  
25X1 [redacted] to give him the best we can at that time. I'd like to task  
[redacted] to keep me up to date on this.
